

# Campus CIO e-Newsletter

## Top Technology Insights for Higher Education Excellence

UB's Campus CIO e-Newsletter engages higher education technology leaders with emerging trends and timely issues through a twice-monthly roundup of the top stories in education technology.

**Incorporate your message, brand and thought leadership in this influential email digest as a Campus CIO Newsletter sponsor. In addition to name/link recognition in a "Sponsored by..." notation in the newsletter, you will receive the following premium marketing benefits:**

- Build brand recognition with Campus CIO's audience of over 45,000 higher education technology leaders, including CIOs, CTOs, Technology Directors, Academic or Administrative Computing, AV and Learning Resource Center administrators.
- Position your brand and content in the context of the most important technology trends in higher education. As a sponsor, you have the option to include one of your own custom news items, case studies, thought leadership essays or solution stories per issue.
- Connect directly with the technology leaders who express interest in your solution. Contact information is available to you for every lead generated through clicks on your company's news item. You will receive access to a live lead report.

**Limited to three sponsors per issue.  
Minimum sponsorship period is one month.**

**Client supplies the following for each content submission:**

**Title:** 8-10 words

**Abstract:** 40-50 words

**Link:** URL for landing page where content resides

**Link:** Link text and URL for "Sponsored by" acknowledgement (i.e., company name)

**Exhibit thought leadership and gain powerful brand exposure. Sponsor Campus CIO.**
